

## Probable Ribosome Biogenesis Protein RLP24 (RSL24D1) Antibody

Catalogue No.: abx237508

WB analysis of HepG2 cells, using RSL24D1 antibody (1/600 dilution).

RSL24D1 Antibody is a Rabbit Polyclonal against RSL24D1.

|                               |                                                                                                                  |
|-------------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Probable Ribosome Biogenesis Protein RLP24 (RSL24D1)                                                             |
| <b>Clonality:</b>             | Polyclonal                                                                                                       |
| <b>Reactivity:</b>            | Human                                                                                                            |
| <b>Tested Applications:</b>   | ELISA, WB, IF/ICC                                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                                           |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/2000, IF/ICC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                     |
| <b>Immunogen:</b>             | ribosomal L24 domain containing 1                                                                                |
| <b>Isotype:</b>               | IgG                                                                                                              |
| <b>Form:</b>                  | Liquid                                                                                                           |
| <b>Purity:</b>                | ≥ 95% (SDS-PAGE)                                                                                                 |
| <b>Purification:</b>          | Purified by immunogen affinity chromatography.                                                                   |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                   |
| <b>Validity:</b>              | 12 months.                                                                                                       |
| <b>UniProt Primary AC:</b>    | Q9UHA3 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                      |

# Datasheet

Version: 3.0.0

Revision date: 27 Sep 2025

**Gene Symbol:** RSL24D1

**GeneID:** [51187](#)

**OMIM:** [613262](#)

**HGNC:** 18479

**Ensembl:** ENSG00000137876

**String:** [9606.ENSP00000260443](#)

**Molecular Weight:** Observed MW: 20 kDa

**Buffer:** PBS, pH 7.3, with 0.02% sodium azide and 50% glycerol.

**Concentration:** 2 mg/ml

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
