

## Transmembrane Protein 176A (TMEM176A) Antibody

Catalogue No.: abx238761

WB analysis of fetal human brain tissue, using TMEM176A antibody (1/500 dilution).

TMEM176A Antibody is a Rabbit Polyclonal against TMEM176A.

|                               |                                                                                                                  |
|-------------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Transmembrane Protein 176A (TMEM176A)                                                                            |
| <b>Clonality:</b>             | Polyclonal                                                                                                       |
| <b>Reactivity:</b>            | Human                                                                                                            |
| <b>Tested Applications:</b>   | ELISA, WB, IF/ICC                                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                                           |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/2000, IF/ICC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                     |
| <b>Immunogen:</b>             | transmembrane protein 176A                                                                                       |
| <b>Isotype:</b>               | IgG                                                                                                              |
| <b>Form:</b>                  | Liquid                                                                                                           |
| <b>Purity:</b>                | ≥ 95% (SDS-PAGE)                                                                                                 |
| <b>Purification:</b>          | Purified by immunogen affinity chromatography.                                                                   |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                   |
| <b>Validity:</b>              | 12 months.                                                                                                       |
| <b>UniProt Primary AC:</b>    | Q96HP8 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                      |

# Datasheet

Version: 2.0.0  
Revision date: 18 Mar 2025

**Gene Symbol:** TMEM176A

**GeneID:** [55365](#)

**OMIM:** [610334](#)

**HGNC:** 24930

**KEGG:** hsa:55365

**Ensembl:** ENSG00000002933

**String:** [9606.ENSP00000417626](#)

**Molecular Weight:** Observed MW: 28 kDa

**Buffer:** PBS, pH 7.3, with 0.02% sodium azide and 50% glycerol.

**Concentration:** 2 mg/ml

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.
