

## Phospholipase A and Acyltransferase 1 / HRASLS (PLAAT1) Antibody

Catalogue No.: abx430671

HRASLS/PLAAT1 Antibody is a Goat Polyclonal antibody against HRASLS/PLAAT1.

|                               |                                                                                                                                       |
|-------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Phospholipase A and Acyltransferase 1 / HRASLS (PLAAT1)                                                                               |
| <b>Clonality:</b>             | Polyclonal                                                                                                                            |
| <b>Tested Applications:</b>   | P-ELISA                                                                                                                               |
| <b>Host:</b>                  | Goat                                                                                                                                  |
| <b>Recommended dilutions:</b> | P-ELISA: 1/2000. Optimal dilutions/concentrations should be determined by the end user.                                               |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                          |
| <b>Immunogen:</b>             | <a href="#">abx615425</a> - Internal region: C-RYGEGVSEQANR                                                                           |
| <b>Isotype:</b>               | IgG                                                                                                                                   |
| <b>Form:</b>                  | Liquid                                                                                                                                |
| <b>Purification:</b>          | Purified from goat serum by ammonium sulphate precipitation followed by antigen affinity chromatography using the immunizing peptide. |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                        |
