

## RFPL2 and RFPL3 Antibody

Catalogue No.: abx433225

RFPL2 and RFPL3 Antibody is a Goat Polyclonal antibody against RFPL2 and RFPL3.

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | RFPL2 and RFPL3                                                                                                                            |
| <b>Clonality:</b>             | Polyclonal                                                                                                                                 |
| <b>Tested Applications:</b>   | P-ELISA                                                                                                                                    |
| <b>Host:</b>                  | Goat                                                                                                                                       |
| <b>Recommended dilutions:</b> | P-ELISA: 1/16000. Optimal dilutions/concentrations should be determined by the end user.                                                   |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Immunogen:</b>             | <a href="#">abx269295</a> - C-Terminus: C-TTDAPVRPGEAK                                                                                     |
| <b>Isotype:</b>               | IgG                                                                                                                                        |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Purified from goat serum by ammonium sulphate precipitation followed by antigen affinity chromatography using the immunizing peptide.      |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>Gene Symbol:</b>           | RFPL2                                                                                                                                      |
