

## Zinc Finger DHHC-Type Containing 20 (ZDHHC20) Antibody

Catalogue No.: abx027364

The specific function of this protein remains unknown.

|                               |                                                                                                                             |
|-------------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Zinc Finger DHHC-Type Containing 20 (ZDHHC20)                                                                               |
| <b>Clonality:</b>             | Polyclonal                                                                                                                  |
| <b>Reactivity:</b>            | Human                                                                                                                       |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                              |
| <b>Host:</b>                  | Rabbit                                                                                                                      |
| <b>Recommended dilutions:</b> | WB: 1/1000, IHC-P: 1/10 - 1/50. Not tested in IHC-F. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                |
| <b>Immunogen:</b>             | KLH-conjugated synthetic peptide between 26-54 amino acids from the N-terminal region of human ZDHHC20.                     |
| <b>Isotype:</b>               | IgG                                                                                                                         |
| <b>Form:</b>                  | Liquid                                                                                                                      |
| <b>Purification:</b>          | Purified through a protein A column, followed by peptide affinity purification.                                             |

# Datasheet

Version: 4.0.0

Revision date: 02 May 2025

**Storage:** Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.

**UniProt Primary AC:** Q5W0Z9 ([UniProt](#), [ExPASy](#))

**KEGG:** hsa:253832

**String:** [9606.ENSP00000371905](#)

**Molecular Weight:** Calculated MW: 42.3 kDa

**Buffer:** PBS containing 0.09% sodium azide.

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
