

## IQ Motif And SEC7 Domain-Containing Protein 3 (IQSEC3) Antibody

Catalogue No.: abx032676

IQSEC3 Antibody is a Rabbit Polyclonal antibody against IQSEC3.

|                               |                                                                                                        |
|-------------------------------|--------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | IQ Motif And SEC7 Domain-Containing Protein 3 (IQSEC3)                                                 |
| <b>Clonality:</b>             | Polyclonal                                                                                             |
| <b>Reactivity:</b>            | Human                                                                                                  |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                              |
| <b>Host:</b>                  | Rabbit                                                                                                 |
| <b>Recommended dilutions:</b> | WB: 1/1000. Optimal dilutions/concentrations should be determined by the end user.                     |
| <b>Conjugation:</b>           | Unconjugated                                                                                           |
| <b>Immunogen:</b>             | KLH-conjugated synthetic peptide between 24-52 amino acids from the N-terminal region of human IQSEC3. |
| <b>Isotype:</b>               | IgG                                                                                                    |
| <b>Form:</b>                  | Liquid                                                                                                 |
| <b>Purification:</b>          | Purified through a protein A column, followed by peptide affinity purification.                        |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                         |
| <b>UniProt Primary AC:</b>    | Q9UPP2 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                            |
| <b>Gene Symbol:</b>           | IQSEC3                                                                                                 |

# Datasheet

Version: 3.0.0

Revision date: 28 Sep 2025

**Molecular Weight:** Calculated MW: 128 kDa

**Buffer:** PBS containing 0.09% sodium azide.

**Specificity:** Predicted to react with Mouse and Rat IQSEC3.

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
