

## Zinc Finger CCHC Domain-Containing Protein 3 (ZCCHC3) Antibody

Catalogue No.: abx034663

ZCCHC3 is a zinc-finger protein containing 3 CCHC-type zinc fingers.

|                               |                                                                                                       |
|-------------------------------|-------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Zinc Finger CCHC Domain-Containing Protein 3 (ZCCHC3)                                                 |
| <b>Clonality:</b>             | Polyclonal                                                                                            |
| <b>Reactivity:</b>            | Human                                                                                                 |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                             |
| <b>Host:</b>                  | Rabbit                                                                                                |
| <b>Recommended dilutions:</b> | WB: 1/1000. Optimal dilutions/concentrations should be determined by the end user.                    |
| <b>Conjugation:</b>           | Unconjugated                                                                                          |
| <b>Immunogen:</b>             | KLH-conjugated synthetic peptide between 210-238 amino acids from the Central region of human ZCCHC3. |
| <b>Isotype:</b>               | IgG                                                                                                   |
| <b>Form:</b>                  | Liquid                                                                                                |
| <b>Purification:</b>          | Purified through a protein A column, followed by peptide affinity purification.                       |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                        |
| <b>UniProt Primary AC:</b>    | Q9NUD5 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                           |
| <b>String:</b>                | <a href="#">9606.ENSP00000484056</a>                                                                  |
| <b>Molecular Weight:</b>      | Calculated MW: 43.5 kDa                                                                               |

# Datasheet

Version: 2.0.0

Revision date: 31 Aug 2025

**Buffer:** PBS containing 0.09% sodium azide.

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.
