

## Heat Shock 60 kDa Protein 1, Chaperonin / HSP60 (HSPD1) Antibody (HRP)

Catalogue No.: abx445748

Heat Shock 60kD Protein 1, Chaperonin / HSP60 (HSPD1) Antibody (HRP) is a Rabbit Polyclonal against Heat Shock 60kD Protein 1, Chaperonin / HSP60 (HSPD1).

|                               |                                                                                                   |
|-------------------------------|---------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Heat Shock 60 kDa Protein 1, Chaperonin / HSP60 (HSPD1)                                           |
| <b>Clonality:</b>             | Polyclonal                                                                                        |
| <b>Reactivity:</b>            | Human, Mouse, Rat, Cow, Dog, Chicken, Rabbit, Hamster                                             |
| <b>Tested Applications:</b>   | ELISA, WB, IHC, IP                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                            |
| <b>Recommended dilutions:</b> | WB: 1/1000, IF/ICC: 1/100. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | HRP                                                                                               |
| <b>Immunogen:</b>             | Human HSP60 produced through recombinant DNA methods in E.coli                                    |
| <b>Purification:</b>          | Purified by Protein A.                                                                            |
| <b>Storage:</b>               | Aliquot and store at 4°C. Avoid repeated freeze/thaw cycles.                                      |
| <b>UniProt Primary AC:</b>    | P10809 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                       |
| <b>GeneID:</b>                | <a href="#">3329</a>                                                                              |
| <b>NCBI Accession:</b>        | NP_002147.2                                                                                       |
| <b>KEGG:</b>                  | hsa:3329                                                                                          |
| <b>String:</b>                | <a href="#">9606.ENSP00000373620</a>                                                              |
| <b>Buffer:</b>                | PBS, 50% glycerol, 0.09% sodium azide.                                                            |
| <b>Specificity:</b>           | Detects ~60kDa.                                                                                   |
| <b>Concentration:</b>         | 1 mg/ml                                                                                           |
