

## Serglycin (SRGN) Antibody

Catalogue No.: abx132393

Serglycin (SRGN) Antibody is a Mouse Monoclonal against Serglycin (SRGN).

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Serglycin (SRGN)                                                                                                                           |
| <b>Clonality:</b>             | Monoclonal                                                                                                                                 |
| <b>Reactivity:</b>            | Human                                                                                                                                      |
| <b>Tested Applications:</b>   | IHC, IF/ICC                                                                                                                                |
| <b>Host:</b>                  | Mouse                                                                                                                                      |
| <b>Recommended dilutions:</b> | IHC: 5-30 µg/ml, IF/ICC: 5-30 µg/ml. Optimal dilutions/concentrations should be determined by the end user.                                |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Isotype:</b>               | IgG <sub>2b</sub> Kappa                                                                                                                    |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Purified by Protein A and Protein G affinity chromatography.                                                                               |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>UniProt Primary AC:</b>    | P10124 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                                |
