

# Programmed Cell Death Protein 1 Ligand 2 (PDCD1LG2) Antibody (APC)

Catalogue No.: abx270589

Fluorescence emission spectra of APC.

Programmed Cell Death Protein 1 Ligand 2 (PDCD1LG2) Antibody (APC) is a Rabbit Polyclonal Antibody conjugated to APC against Programmed Cell Death Protein 1 Ligand 2 (PDCD1LG2) for use in flow cytometry.

|-------------------------------|----------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Programmed Cell Death Protein 1 Ligand 2 (PDCD1LG2)                                                            |
| <b>Research Area:</b>         | Signal Transduction, Tumor Immunity, Infection Immunity, Immunology, Autoimmunity                              |
| <b>Clonality:</b>             | Polyclonal                                                                                                     |
| <b>Reactivity:</b>            | Human                                                                                                          |
| <b>Tested Applications:</b>   | FCM                                                                                                            |
| <b>Host:</b>                  | Rabbit                                                                                                         |
| <b>Recommended dilutions:</b> | FCM: 1-5 $\mu$ l/10 <sup>6</sup> cells. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | APC                                                                                                            |
| <b>Excitation/Emission:</b>   | 651/660                                                                                                        |
| <b>Laser Line:</b>            | 647                                                                                                            |
| <b>Isotype:</b>               | IgG                                                                                                            |
| <b>Form:</b>                  | Liquid                                                                                                         |
| <b>Purification:</b>          | Purified by antigen-specific affinity chromatography.                                                          |
| <b>Storage:</b>               | Aliquot and store at 2°C to 8°C upon receipt. Avoid exposure to light.                                         |

# Datasheet

Version: 5.0.0

Revision date: 10 Oct 2025

**UniProt Primary AC:** Q9BQ51 ([UniProt](#), [ExPASy](#))

**Gene Symbol:** PDCD1LG2

**GeneID:** [80380](#)

**KEGG:** hsa:80380

**String:** [9606.ENSP00000380855](#)

**Buffer:** 0.01 M PBS, pH 7.4, containing 0.05% Proclin-300, 50% glycerol.

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
