

## Aldehyde Dehydrogenase 3 Family Member A2 (ALDH3A2) Antibody

Catalogue No.: abx159324

ALDH3A2 Antibody is a Mouse Monoclonal against ALDH3A2.

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Aldehyde Dehydrogenase 3 Family Member A2 (ALDH3A2)                                                                                        |
| <b>Clonality:</b>             | Monoclonal                                                                                                                                 |
| <b>Reactivity:</b>            | Human, Mouse, Rat, Rabbit                                                                                                                  |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                                                                  |
| <b>Host:</b>                  | Mouse                                                                                                                                      |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/5000. Optimal dilutions/concentrations should be determined by the end user.                                                 |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Immunogen:</b>             | Purified recombinant human ALDH3A2 protein fragments expressed in E. coli.                                                                 |
| <b>Isotype:</b>               | IgG <sub>2a</sub>                                                                                                                          |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                                                       |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>UniProt Primary AC:</b>    | P51648 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                                |
