

## Keratin, Type II Cytoskeletal 7 (KRT7) Antibody

Catalogue No.: abx159589

KRT7 Antibody is a Mouse Monoclonal against KRT7.

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Keratin, Type II Cytoskeletal 7 (KRT7)                                                                                                     |
| <b>Clonality:</b>             | Monoclonal                                                                                                                                 |
| <b>Reactivity:</b>            | Human, Mouse, Rat, Dog                                                                                                                     |
| <b>Tested Applications:</b>   | ELISA, WB, IF/ICC                                                                                                                          |
| <b>Host:</b>                  | Mouse                                                                                                                                      |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/5000, IF/ICC: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user.                           |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Immunogen:</b>             | Recombinant fragment, corresponding to amino acids 256aa-415aa of human KRT7 (C-terminus).                                                 |
| <b>Isotype:</b>               | IgG <sub>2b</sub>                                                                                                                          |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Antigen Affinity Purified                                                                                                                  |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>UniProt Primary AC:</b>    | P08729 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                                |
