

## Protein Arginine Methyltransferase 6 (PRMT6) Antibody

Catalogue No.: abx159663

PRMT6 Antibody is a Mouse Monoclonal against PRMT6.

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Protein Arginine Methyltransferase 6 (PRMT6)                                                                                               |
| <b>Clonality:</b>             | Monoclonal                                                                                                                                 |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                                                          |
| <b>Tested Applications:</b>   | ELISA, WB, IHC, IF/ICC                                                                                                                     |
| <b>Host:</b>                  | Mouse                                                                                                                                      |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/5000, IHC: 1/50 - 1/500, IF/ICC: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user.        |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Immunogen:</b>             | Recombinant full length protein (375aa) of human PRMT6.                                                                                    |
| <b>Isotype:</b>               | IgG <sub>1</sub>                                                                                                                           |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Antigen Affinity Purified                                                                                                                  |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>UniProt Primary AC:</b>    | Q96LA8 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                                |
