

## Cow Angiopoietin 1 (ANGPT1) Protein

Catalogue No.: abx652506

Cow Angiopoietin 1 (ANGPT1) Protein is a Recombinant Cow protein expressed in E. coli.

|                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

| <b>Purity:</b>              | > 90%                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| <b>Reconstitution:</b>      | To keep the original salt concentration, we recommend reconstituting to the original concentration prior to lyophilization (see Concentration) in ddH <sub>2</sub> O. If a lower concentration is required, dilute in PBS, pH 7.4. If a higher concentration is required, the product can be reconstituted directly in PBS, pH 7.4, though please note that this will change the overall salt concentration. The stock concentration should be between 0.1-1.0 mg/ml. Do not vortex. |
| <b>Storage:</b>             | Store at 2-8°C for up to one month. For long-term storage, store at -80°C. Avoid repeated freeze/thaw cycles.                                                                                                                                                                                                                                                                                                                                                                        |
