

## Proto-oncogene tyrosine-protein kinase LCK Phospho-Tyr394 (LCK pY394) Antibody

Catalogue No.: abx333050

LCK (pY394) Antibody is a Rabbit Polyclonal against LCK (pY394).

|                               |                                                                                                      |
|-------------------------------|------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Proto-oncogene tyrosine-protein kinase LCK Phospho-Tyr394 (LCK pY394)                                |
| <b>Clonality:</b>             | Polyclonal                                                                                           |
| <b>Target Modification:</b>   | Tyr394                                                                                               |
| <b>Modification:</b>          | Phosphorylation                                                                                      |
| <b>Reactivity:</b>            | Human, Mouse                                                                                         |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                            |
| <b>Host:</b>                  | Rabbit                                                                                               |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/1000. Optimal dilutions/concentrations should be determined by the end user.           |
| <b>Conjugation:</b>           | Unconjugated                                                                                         |
| <b>Immunogen:</b>             | Peptide sequence around phosphorylation site of tyrosine 394 (N-E-Y (p)-T-A) derived from Human Lck. |
| <b>Isotype:</b>               | IgG                                                                                                  |
| <b>Form:</b>                  | Liquid                                                                                               |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                 |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                       |
| <b>UniProt Primary AC:</b>    | P06239 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                          |
| <b>Gene Symbol:</b>           | LCK                                                                                                  |
| <b>GeneID:</b>                | <a href="#">3932</a>                                                                                 |
| <b>KEGG:</b>                  | hsa:3932                                                                                             |

# Datasheet

Version: 4.0.0

Revision date: 30 Sep 2025

**String:** [9606.ENSF00000337825](#)

**Buffer:** PBS (without  $Mg^{2+}$  and  $Ca^{2+}$ ), pH 7.4, containing 150mM NaCl, 0.02% sodium azide and 50% Glycerol.

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
