

# Lymphoid Enhancer Binding Factor 1 Phospho-Ser42 (LEF1 pS42) Antibody

Catalogue No.: abx327933

LEF1 (pS42) Antibody is a Rabbit Polyclonal against LEF1 (pS42).

|                               |                                                                                                           |
|-------------------------------|-----------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Lymphoid Enhancer Binding Factor 1 Phospho-Ser42 (LEF1 pS42)                                              |
| <b>Clonality:</b>             | Polyclonal                                                                                                |
| <b>Target Modification:</b>   | Ser42                                                                                                     |
| <b>Modification:</b>          | Phosphorylation                                                                                           |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                         |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                                 |
| <b>Host:</b>                  | Rabbit                                                                                                    |
| <b>Recommended dilutions:</b> | ELISA: 1/5000, WB: 1/500 - 1/2000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                              |
| <b>Immunogen:</b>             | Synthesized peptide derived from human LEF-1 around the phosphorylation site of S42.                      |
| <b>Isotype:</b>               | IgG                                                                                                       |
| <b>Form:</b>                  | Liquid                                                                                                    |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                      |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                            |
| <b>UniProt Primary AC:</b>    | Q9UJU2 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                               |
