

## RACGAP1 (pS387) Antibody

Catalogue No.: abx333376

RACGAP1 (pS387) Antibody is a Rabbit Polyclonal against RACGAP1 (pS387).

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | RACGAP1 (pS387)                                                                                                                            |
| <b>Clonality:</b>             | Polyclonal                                                                                                                                 |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                                                          |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                                                                  |
| <b>Host:</b>                  | Rabbit                                                                                                                                     |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/1000. Optimal dilutions/concentrations should be determined by the end user.                                                 |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Immunogen:</b>             | Peptide sequence around phosphorylation site of serine 387 (R-I-S (p)-G-C) derived from Human GTPase Activating Protein.                   |
| <b>Isotype:</b>               | IgG                                                                                                                                        |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                                                       |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>UniProt Primary AC:</b>    | Q9H0H5 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                                |
| <b>Buffer:</b>                | PBS (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, containing 150mM NaCl, 0.02% sodium azide and 50% Glycerol.                  |
| <b>Note:</b>                  | THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION. |
