

## Cytoplasmic FMR1-Interacting Protein 2 (CYFIP2) Antibody

Catalogue No.: abx329799

CYFIP2 Antibody is a Rabbit Polyclonal against CYFIP2.

|                               |                                                                                                                      |
|-------------------------------|----------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Cytoplasmic FMR1-Interacting Protein 2 (CYFIP2)                                                                      |
| <b>Clonality:</b>             | Polyclonal                                                                                                           |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                                    |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                                            |
| <b>Host:</b>                  | Rabbit                                                                                                               |
| <b>Recommended dilutions:</b> | ELISA: 1/10000 - 1/20000, WB: 1/500 - 1/2000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                         |
| <b>Immunogen:</b>             | Synthesized peptide derived from CYFIP2 at AA range: 1171-1220.                                                      |
| <b>Isotype:</b>               | IgG                                                                                                                  |
| <b>Form:</b>                  | Liquid                                                                                                               |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                                 |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                       |
