

## Thiosulfate-Binding Protein (CYSP) Antibody

Catalogue No.: abx333679

cysP Antibody is a Rabbit Polyclonal against cysP.

|                               |                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Thiosulfate-Binding Protein (CYSP)                                                         |
| <b>Clonality:</b>             | Polyclonal                                                                                 |
| <b>Reactivity:</b>            | E. coli                                                                                    |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                  |
| <b>Host:</b>                  | Rabbit                                                                                     |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/5000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                               |
| <b>Immunogen:</b>             | Recombinant Escherichia coli Thiosulfate-binding protein (26-338AA).                       |
| <b>Isotype:</b>               | IgG                                                                                        |
| <b>Form:</b>                  | Liquid                                                                                     |
| <b>Purity:</b>                | > 95%                                                                                      |
| <b>Purification:</b>          | Purified by Protein G.                                                                     |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                             |
| <b>UniProt Primary AC:</b>    | P16700 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                |
| <b>Gene Symbol:</b>           | CYSP                                                                                       |
| <b>KEGG:</b>                  | ecj:JW2418, eco:b2425                                                                      |
| <b>String:</b>                | <a href="#">511145.b2425</a>                                                               |
| <b>Buffer:</b>                | 0.01 M PBS, pH 7.4, 0.03% Proclin-300 and 50% Glycerol.                                    |
