

## **RAD52 Homolog, DNA Repair Protein Phospho-Tyr104 (RAD52 pY104) Antibody**

Catalogue No.: abx326306

RAD52 (pY104) Antibody is a Rabbit Polyclonal against RAD52 (pY104).

|                               |                                                                                                                                |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | RAD52 Homolog, DNA Repair Protein Phospho-Tyr104 (RAD52 pY104)                                                                 |
| <b>Clonality:</b>             | Polyclonal                                                                                                                     |
| <b>Target Modification:</b>   | Tyr104                                                                                                                         |
| <b>Modification:</b>          | Phosphorylation                                                                                                                |
| <b>Reactivity:</b>            | Human, Mouse, Monkey                                                                                                           |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                                 |
| <b>Host:</b>                  | Rabbit                                                                                                                         |
| <b>Recommended dilutions:</b> | ELISA: 1/20000, WB: 1/500 - 1/2000, IHC: 1/100 - 1/300. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                   |
| <b>Immunogen:</b>             | Synthesized peptide derived from human Rad52 around the phosphorylation site of Y104.                                          |
| <b>Isotype:</b>               | IgG                                                                                                                            |
| <b>Form:</b>                  | Liquid                                                                                                                         |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                                           |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                 |
