

## Regenerating Islet Derived Protein 3 Alpha (REG3A) Antibody

Catalogue No.: abx339360

REG3A Antibody is a Rabbit Polyclonal against REG3A.

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Regenerating Islet Derived Protein 3 Alpha (REG3A)                                                                                         |
| <b>Clonality:</b>             | Polyclonal                                                                                                                                 |
| <b>Reactivity:</b>            | Human                                                                                                                                      |
| <b>Tested Applications:</b>   | ELISA, IHC                                                                                                                                 |
| <b>Host:</b>                  | Rabbit                                                                                                                                     |
| <b>Recommended dilutions:</b> | ELISA: 1/1000 - 1/2000, IHC: 1/25 - 1/100. Optimal dilutions/concentrations should be determined by the end user.                          |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Immunogen:</b>             | Synthetic peptide of human REG3A.                                                                                                          |
| <b>Isotype:</b>               | IgG                                                                                                                                        |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                                                                           |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>UniProt Primary AC:</b>    | Q06141 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                                |
| <b>Gene Symbol:</b>           | REG3A                                                                                                                                      |
| <b>GeneID:</b>                | <a href="#">5068</a>                                                                                                                       |
| <b>Buffer:</b>                | PBS, pH 7.4, containing 0.05% NaN <sub>3</sub> and 40% Glycerol.                                                                           |
| <b>Note:</b>                  | THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION. |
