

## Histone Cluster 1 H1 Family Member E Phospho-Thr17 (HIST1H1E pT17) Antibody

Catalogue No.: abx242766

HIST1H1E (pT17) Antibody is a Rabbit Polyclonal against HIST1H1E (pT17).

|                               |                                                                                                                |
|-------------------------------|----------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Histone Cluster 1 H1 Family Member E Phospho-Thr17 (HIST1H1E pT17)                                             |
| <b>Clonality:</b>             | Polyclonal                                                                                                     |
| <b>Target Modification:</b>   | Thr17                                                                                                          |
| <b>Modification:</b>          | Phosphorylation                                                                                                |
| <b>Reactivity:</b>            | Human                                                                                                          |
| <b>Tested Applications:</b>   | ELISA, WB, IF/ICC                                                                                              |
| <b>Host:</b>                  | Rabbit                                                                                                         |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/2000, IF/ICC: 1/1 - 1/10. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                   |
| <b>Immunogen:</b>             | Peptide sequence around site of phospho-Thr (17) derived from human Histone H1.4.                              |
| <b>Isotype:</b>               | IgG                                                                                                            |
| <b>Form:</b>                  | Liquid                                                                                                         |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                                               |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                 |
