

## Histone Cluster 1 H3 Family Member A (HIST1H3A) Antibody

Catalogue No.: abx242775

HIST1H3A (Ab-9) Antibody is a Rabbit Polyclonal against HIST1H3A (Ab-9).

|                               |                                                                                                                                     |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Histone Cluster 1 H3 Family Member A (HIST1H3A)                                                                                     |
| <b>Clonality:</b>             | Polyclonal                                                                                                                          |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                                        |
| <b>Tested Applications:</b>   | ELISA, WB, IHC, IF/ICC, ChIP                                                                                                        |
| <b>Host:</b>                  | Rabbit                                                                                                                              |
| <b>Recommended dilutions:</b> | WB: 1/200 - 1/2000, IHC: 1/20 - 1/200, IF/ICC: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                        |
| <b>Immunogen:</b>             | Peptide sequence around site of Lys (9) derived from human Histone H3.1.                                                            |
| <b>Isotype:</b>               | IgG                                                                                                                                 |
| <b>Form:</b>                  | Liquid                                                                                                                              |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                                                                    |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                      |
