

## Prostate And Breast Cancer Overexpressed 1 (PBOV1) Antibody

Catalogue No.: abx324913

PBOV1 Antibody is a Rabbit Polyclonal against PBOV1.

|                               |                                                                                                                                                        |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Prostate And Breast Cancer Overexpressed 1 (PBOV1)                                                                                                     |
| <b>Clonality:</b>             | Polyclonal                                                                                                                                             |
| <b>Reactivity:</b>            | Human                                                                                                                                                  |
| <b>Tested Applications:</b>   | ELISA, WB, IHC, IF/ICC                                                                                                                                 |
| <b>Host:</b>                  | Rabbit                                                                                                                                                 |
| <b>Recommended dilutions:</b> | ELISA: 1/40000, WB: 1/500 - 1/2000, IHC: 1/100 - 1/300, IF/ICC: 1/200 - 1/1000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                                           |
| <b>Immunogen:</b>             | Synthesized peptide derived from the Internal region of human UROC28.                                                                                  |
| <b>Isotype:</b>               | IgG                                                                                                                                                    |
| <b>Form:</b>                  | Liquid                                                                                                                                                 |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                                                                   |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                                         |
| <b>UniProt Primary AC:</b>    | Q9GZY1 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                                            |
| <b>Gene Symbol:</b>           | PBOV1                                                                                                                                                  |
| <b>GeneID:</b>                | <a href="#">59351</a>                                                                                                                                  |
| <b>Buffer:</b>                | PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                          |
| <b>Note:</b>                  | THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.             |
