

## T-Complex 1 (TCP1) Antibody

Catalogue No.: abx334433

TCP1 Antibody is a Rabbit Polyclonal against TCP1.

|                               |                                                                                                                    |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | T-Complex 1 (TCP1)                                                                                                 |
| <b>Clonality:</b>             | Polyclonal                                                                                                         |
| <b>Reactivity:</b>            | Human                                                                                                              |
| <b>Tested Applications:</b>   | ELISA, IHC, IF/ICC                                                                                                 |
| <b>Host:</b>                  | Rabbit                                                                                                             |
| <b>Recommended dilutions:</b> | IHC: 1/500 - 1/1000, IF/ICC: 1/200 - 1/500. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                       |
| <b>Immunogen:</b>             | Recombinant Human T-complex protein 1 subunit alpha protein (406-506AA).                                           |
| <b>Isotype:</b>               | IgG                                                                                                                |
| <b>Form:</b>                  | Liquid                                                                                                             |
