

## Ribosomal Protein S6 Kinase A6 (RPS6KA6) Antibody

Catalogue No.: abx339368

RPS6KA6 Antibody is a Rabbit Polyclonal against RPS6KA6.

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Ribosomal Protein S6 Kinase A6 (RPS6KA6)                                                                                                   |
| <b>Clonality:</b>             | Polyclonal                                                                                                                                 |
| <b>Reactivity:</b>            | Human                                                                                                                                      |
| <b>Tested Applications:</b>   | ELISA, IHC                                                                                                                                 |
| <b>Host:</b>                  | Rabbit                                                                                                                                     |
| <b>Recommended dilutions:</b> | ELISA: 1/1000 - 1/2000, IHC: 1/25 - 1/100. Optimal dilutions/concentrations should be determined by the end user.                          |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Immunogen:</b>             | Synthetic peptide of human RPS6KA6.                                                                                                        |
| <b>Isotype:</b>               | IgG                                                                                                                                        |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                                                                           |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>UniProt Primary AC:</b>    | Q9UK32 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                                |
| <b>Gene Symbol:</b>           | RPS6KA6                                                                                                                                    |
| <b>GeneID:</b>                | <a href="#">27330</a>                                                                                                                      |
| <b>String:</b>                | <a href="#">9606.ENSP00000262752</a>                                                                                                       |
| <b>Buffer:</b>                | PBS, pH 7.4, containing 0.05% NaN <sub>3</sub> and 40% Glycerol.                                                                           |
| <b>Note:</b>                  | THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION. |
