

## Sodium Voltage-Gated Channel Alpha Subunit 10 (SCN10A) Antibody

Catalogue No.: abx338385

SCN10A Antibody is a Rabbit Polyclonal against SCN10A.

|                               |                                                                                              |
|-------------------------------|----------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Sodium Voltage-Gated Channel Alpha Subunit 10 (SCN10A)                                       |
| <b>Clonality:</b>             | Polyclonal                                                                                   |
| <b>Reactivity:</b>            | Human                                                                                        |
| <b>Tested Applications:</b>   | ELISA, IF/ICC                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                       |
| <b>Recommended dilutions:</b> | IF/ICC: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                 |
| <b>Immunogen:</b>             | Recombinant Human Sodium channel protein type 10 subunit alpha protein (992-1099AA).         |
| <b>Isotype:</b>               | IgG                                                                                          |
| <b>Form:</b>                  | Liquid                                                                                       |
| <b>Purity:</b>                | > 95%                                                                                        |
| <b>Purification:</b>          | Purified by Protein G.                                                                       |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                               |
| <b>UniProt Primary AC:</b>    | Q9Y5Y9 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                  |
| <b>Gene Symbol:</b>           | SCN10A                                                                                       |
| <b>GeneID:</b>                | <a href="#">6336</a>                                                                         |
| <b>String:</b>                | <a href="#">9606.ENSP00000390600</a>                                                         |
| <b>Buffer:</b>                | 0.01 M PBS, pH 7.4, 0.03% Proclin-300 and 50% Glycerol.                                      |
