

## Sestrin 1 (SESN1) Antibody

Catalogue No.: abx212111

SESN1 Antibody is a Rabbit Polyclonal against SESN1.

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Sestrin 1 (SESN1)                                                                                                                          |
| <b>Clonality:</b>             | Polyclonal                                                                                                                                 |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                                               |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                                                                  |
| <b>Host:</b>                  | Rabbit                                                                                                                                     |
| <b>Recommended dilutions:</b> | ELISA: 1/1000 - 1/2000, WB: 1/200 - 1/1000. Optimal dilutions/concentrations should be determined by the end user.                         |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Immunogen:</b>             | Synthetic peptide of human SESN1.                                                                                                          |
| <b>Isotype:</b>               | IgG                                                                                                                                        |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                                                                           |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
