

## Tumor Necrosis Factor Receptor Superfamily Member 10A / CD261 (TNFRSF10A) Antibody (Biotin)

Catalogue No.: abx338112

TNFRSF10A Antibody (Biotin) is a Rabbit Polyclonal against TNFRSF10A.

|                               |                                                                                               |
|-------------------------------|-----------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Tumor Necrosis Factor Receptor Superfamily Member 10A / CD261 (TNFRSF10A)                     |
| <b>Clonality:</b>             | Polyclonal                                                                                    |
| <b>Reactivity:</b>            | Human                                                                                         |
| <b>Tested Applications:</b>   | ELISA                                                                                         |
| <b>Host:</b>                  | Rabbit                                                                                        |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                        |
| <b>Conjugation:</b>           | Biotin                                                                                        |
| <b>Immunogen:</b>             | Recombinant Human Tumor necrosis factor receptor superfamily member 10A protein (263-468AA ). |
| <b>Isotype:</b>               | IgG                                                                                           |
