

## Transient Receptor Potential Cation Channel Subfamily V, Member 6 (TRPV6) Antibody

Catalogue No.: abx334326

TRPV6 Antibody is a Rabbit Polyclonal against TRPV6.

|                               |                                                                                                         |
|-------------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Transient Receptor Potential Cation Channel Subfamily V, Member 6 (TRPV6)                               |
| <b>Clonality:</b>             | Polyclonal                                                                                              |
| <b>Reactivity:</b>            | Human                                                                                                   |
| <b>Tested Applications:</b>   | ELISA, IHC                                                                                              |
| <b>Host:</b>                  | Rabbit                                                                                                  |
| <b>Recommended dilutions:</b> | IHC: 1/200 - 1/500. Optimal dilutions/concentrations should be determined by the end user.              |
| <b>Conjugation:</b>           | Unconjugated                                                                                            |
| <b>Immunogen:</b>             | Recombinant Human Transient receptor potential cation channel subfamily V member 6 protein (620-764AA). |
| <b>Isotype:</b>               | IgG                                                                                                     |
| <b>Form:</b>                  | Liquid                                                                                                  |
| <b>Purity:</b>                | > 95%                                                                                                   |
| <b>Purification:</b>          | Purified by Protein G.                                                                                  |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                          |
| <b>UniProt Primary AC:</b>    | Q9H1D0 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                             |
