

## Tubulin Beta 3 (TUBB3) Antibody

Catalogue No.: abx242446

TUBB3 Antibody is a Rabbit Polyclonal against TUBB3.

|                               |                                                                                                                                     |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Tubulin Beta 3 (TUBB3)                                                                                                              |
| <b>Clonality:</b>             | Polyclonal                                                                                                                          |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                                                   |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                                      |
| <b>Host:</b>                  | Rabbit                                                                                                                              |
| <b>Recommended dilutions:</b> | ELISA: 1/500 - 1/5000, WB: 1/500 - 1/1000, IHC: 1/25 - 1/50. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                        |
| <b>Immunogen:</b>             | Fusion protein of human TUBB3.                                                                                                      |
| <b>Isotype:</b>               | IgG                                                                                                                                 |
| <b>Form:</b>                  | Liquid                                                                                                                              |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                                                                    |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                      |
