

## ELMO Domain Containing 3 (ELMOD3) Antibody

Catalogue No.: abx338555

ELMOD3 Antibody is a Rabbit Polyclonal against ELMOD3.

|                               |                                                                                                                                       |
|-------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | ELMO Domain Containing 3 (ELMOD3)                                                                                                     |
| <b>Clonality:</b>             | Polyclonal                                                                                                                            |
| <b>Reactivity:</b>            | Human                                                                                                                                 |
| <b>Tested Applications:</b>   | ELISA, WB, IHC, IF/ICC                                                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                                                                |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/5000, IHC: 1/500 - 1/1000, IF/ICC: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                          |
| <b>Immunogen:</b>             | Recombinant Human ELMO domain-containing protein 3 protein (1-102AA).                                                                 |
| <b>Isotype:</b>               | IgG                                                                                                                                   |
| <b>Form:</b>                  | Liquid                                                                                                                                |
