

## Adhesion G Protein-Coupled Receptor G6 (ADGRG6) Antibody

Catalogue No.: abx325690

ADGRG6 Antibody is a Rabbit Polyclonal against ADGRG6.

|                               |                                                                                                                                    |
|-------------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Adhesion G Protein-Coupled Receptor G6 (ADGRG6)                                                                                    |
| <b>Clonality:</b>             | Polyclonal                                                                                                                         |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                                       |
| <b>Tested Applications:</b>   | ELISA, WB, IF/ICC                                                                                                                  |
| <b>Host:</b>                  | Rabbit                                                                                                                             |
| <b>Recommended dilutions:</b> | ELISA: 1/20000, WB: 1/500 - 1/2000, IF/ICC: 1/200 - 1/1000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                       |
| <b>Immunogen:</b>             | Synthesized peptide derived from the C-terminal region of human DREG.                                                              |
| <b>Isotype:</b>               | IgG                                                                                                                                |
| <b>Form:</b>                  | Liquid                                                                                                                             |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                                               |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                     |
