

## A-Kinase Anchor Protein 4 (AKAP4) Antibody

Catalogue No.: abx339157

AKAP4 Antibody is a Rabbit Polyclonal against AKAP4.

|                               |                                                                                                                  |
|-------------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | A-Kinase Anchor Protein 4 (AKAP4)                                                                                |
| <b>Clonality:</b>             | Polyclonal                                                                                                       |
| <b>Reactivity:</b>            | Human                                                                                                            |
| <b>Tested Applications:</b>   | ELISA, IHC                                                                                                       |
| <b>Host:</b>                  | Rabbit                                                                                                           |
| <b>Recommended dilutions:</b> | ELISA: 1/1000 - 1/2000, IHC: 1/15 - 1/50. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                     |
| <b>Immunogen:</b>             | Fusion protein of human AKAP4.                                                                                   |
| <b>Isotype:</b>               | IgG                                                                                                              |
| <b>Form:</b>                  | Liquid                                                                                                           |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                                                 |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                   |
