

## **RAC-beta serine/threonine-protein kinase Phospho-Ser474 (AKT2 pS474) Antibody**

Catalogue No.: abx328438

AKT2 (pS474) Antibody is a Rabbit Polyclonal against AKT2 (pS474).

|                               |                                                                                                                                |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | RAC-beta serine/threonine-protein kinase Phospho-Ser474 (AKT2 pS474)                                                           |
| <b>Clonality:</b>             | Polyclonal                                                                                                                     |
| <b>Target Modification:</b>   | Ser474                                                                                                                         |
| <b>Modification:</b>          | Phosphorylation                                                                                                                |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                                              |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                                 |
| <b>Host:</b>                  | Rabbit                                                                                                                         |
| <b>Recommended dilutions:</b> | ELISA: 1/20000, WB: 1/500 - 1/2000, IHC: 1/100 - 1/300. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                   |
| <b>Immunogen:</b>             | Synthesized peptide derived from human Akt2 around the phosphorylation site of S474.                                           |
| <b>Isotype:</b>               | IgG                                                                                                                            |
| <b>Form:</b>                  | Liquid                                                                                                                         |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                                           |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                 |
| <b>UniProt Primary AC:</b>    | P31751 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                    |
| <b>Gene Symbol:</b>           | AKT2                                                                                                                           |
| <b>GeneID:</b>                | <a href="#">208</a>                                                                                                            |
