

## T-Cell Surface Glycoprotein CD3 Gamma Chain (CD3G) Antibody

Catalogue No.: abx338816

CD3G Antibody is a Rabbit Polyclonal against CD3G.

|                               |                                                                                                                  |
|-------------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | T-Cell Surface Glycoprotein CD3 Gamma Chain (CD3G)                                                               |
| <b>Clonality:</b>             | Polyclonal                                                                                                       |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                                |
| <b>Tested Applications:</b>   | ELISA, WB, IF/ICC                                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                                           |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/5000, IF/ICC: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                     |
| <b>Immunogen:</b>             | Recombinant Human T-cell surface glycoprotein CD3 gamma chain protein (138-182AA).                               |
| <b>Isotype:</b>               | IgG                                                                                                              |
| <b>Form:</b>                  | Liquid                                                                                                           |
| <b>Purity:</b>                | > 95%                                                                                                            |
| <b>Purification:</b>          | Purified by Protein G.                                                                                           |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                   |
