

## Progesterone Receptor (PGR) Antibody

Catalogue No.: abx339976

PGR Antibody is a Rabbit Polyclonal against PGR.

|                               |                                                                                                                                       |
|-------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Progesterone Receptor (PGR)                                                                                                           |
| <b>Clonality:</b>             | Polyclonal                                                                                                                            |
| <b>Reactivity:</b>            | Human                                                                                                                                 |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                                        |
| <b>Host:</b>                  | Rabbit                                                                                                                                |
| <b>Recommended dilutions:</b> | ELISA: 1/1000 - 1/5000, WB: 1/500 - 1/2000, IHC: 1/25 - 1/100. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                          |
| <b>Immunogen:</b>             | Synthetic peptide of human PGR.                                                                                                       |
| <b>Isotype:</b>               | IgG                                                                                                                                   |
| <b>Form:</b>                  | Liquid                                                                                                                                |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                                                                      |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                        |
