

## F-Box Protein 7 (FBXO7) Antibody

Catalogue No.: abx324984

FBXO7 Antibody is a Rabbit Polyclonal against FBXO7.

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | F-Box Protein 7 (FBXO7)                                                                                                                    |
| <b>Clonality:</b>             | Polyclonal                                                                                                                                 |
| <b>Reactivity:</b>            | Human                                                                                                                                      |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                                                                  |
| <b>Host:</b>                  | Rabbit                                                                                                                                     |
| <b>Recommended dilutions:</b> | ELISA: 1/10000, WB: 1/500 - 1/10000. Optimal dilutions/concentrations should be determined by the end user.                                |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Immunogen:</b>             | Synthetic peptide from AA range: 371-420.                                                                                                  |
| <b>Isotype:</b>               | IgG                                                                                                                                        |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                                                       |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>UniProt Primary AC:</b>    | Q9Y3I1 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                                |
| <b>Gene Symbol:</b>           | FBXO7                                                                                                                                      |
| <b>GeneID:</b>                | <a href="#">25793</a>                                                                                                                      |
| <b>String:</b>                | <a href="#">9606.ENSP00000266087</a>                                                                                                       |
| <b>Buffer:</b>                | PBS, pH 7.4, containing 0.02% sodium azide as Preservative and 50% Glycerol.                                                               |
| <b>Note:</b>                  | THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION. |
