

# Gamma-Aminobutyric Acid Type A Receptor Rho1 Subunit (GABRR1) Antibody

Catalogue No.: abx242345

GABRR1 Antibody is a Rabbit Polyclonal against GABRR1.

|                               |                                                                                                                    |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Gamma-Aminobutyric Acid Type A Receptor Rho1 Subunit (GABRR1)                                                      |
| <b>Clonality:</b>             | Polyclonal                                                                                                         |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                                  |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                                          |
| <b>Host:</b>                  | Rabbit                                                                                                             |
| <b>Recommended dilutions:</b> | ELISA: 1/2000 - 1/5000, WB: 1/500 - 1/2000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                       |
| <b>Immunogen:</b>             | Synthetic peptide of human GABRR1.                                                                                 |
| <b>Isotype:</b>               | IgG                                                                                                                |
| <b>Form:</b>                  | Liquid                                                                                                             |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                                                   |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                     |
