

## Histone H1 (H1) Antibody

Catalogue No.: abx411412

Histone H1 (H1) Antibody is a Mouse Monoclonal antibody against Histone H1 (H1).

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Histone H1 (H1)                                                                                                                            |
| <b>Clonality:</b>             | Monoclonal                                                                                                                                 |
| <b>Reactivity:</b>            | Human                                                                                                                                      |
| <b>Tested Applications:</b>   | WB, IHC, IF/ICC, IP                                                                                                                        |
| <b>Host:</b>                  | Mouse                                                                                                                                      |
| <b>Recommended dilutions:</b> | Validated in IHC-F and IHC-P. Optimal dilutions/concentrations should be determined by the end user.                                       |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Isotype:</b>               | IgG <sub>2a</sub>                                                                                                                          |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Purified                                                                                                                                   |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>Buffer:</b>                | PBS. Contains sodium azide.                                                                                                                |
| <b>Concentration:</b>         | 1.0 mg/ml                                                                                                                                  |
| <b>Note:</b>                  | THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION. |
