

## Cow Interleukin 21 (IL21) Protein

Catalogue No.: abx670137

Cow Interleukin 21 (IL21) Protein is a Recombinant protein expressed in Pichia pastoris.

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Interleukin 21 (IL21)                                                                                                                      |
| <b>Origin:</b>                | Cow                                                                                                                                        |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                                                                  |
| <b>Host:</b>                  | Yeast                                                                                                                                      |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                                                                     |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Form:</b>                  | Lyophilized                                                                                                                                |
| <b>Storage:</b>               | Store at 4°C for up to one week. For long-term storage, store at -20°C. Avoid repeated freeze/thaw cycles.                                 |
