

Microfibrillar Associated Protein 2 (MFAP2) Antibody

Catalogue No.: abx240119

WB analysis of HeLa cells, using MFAP2 antibody (1/1000 dilution).

Microfibrillar Associated Protein 2 (MFAP2) Antibody is a Rabbit Polyclonal antibody for the detection of MFAP2.

Microfibrillar-associated protein 2 is a major antigen of elastin-associated microfibrils and a candidate for involvement in the etiology of inherited connective tissue diseases. Four transcript variants encoding two different isoforms have been found for this gene.
