

## Protein CBFA2T3 (CBFA2T3) Antibody

Catalogue No.: abx341414

Protein CBFA2T3 (CBFA2T3) Antibody is a Rabbit Polyclonal antibody for the detection of Human CBFA2T3.

|                               |                                                                        |
|-------------------------------|------------------------------------------------------------------------|
| <b>Target:</b>                | Protein CBFA2T3 (CBFA2T3)                                              |
| <b>Clonality:</b>             | Polyclonal                                                             |
| <b>Reactivity:</b>            | Human                                                                  |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                         |
| <b>Host:</b>                  | Rabbit                                                                 |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                           |
| <b>Immunogen:</b>             | Recombinant Human Protein CBFA2T3 protein (39-159 AA)                  |
| <b>Isotype:</b>               | IgG                                                                    |
| <b>Form:</b>                  | Liquid                                                                 |
| <b>Purity:</b>                | > 95%                                                                  |
| <b>Purification:</b>          | Purified by Protein G chromatography.                                  |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.         |
