

## Tissue Factor Pathway Inhibitor 2 (TFPI2) Antibody (HRP)

Catalogue No.: abx344661

Tissue Factor Pathway Inhibitor 2 (TFPI2) Antibody (HRP) is a Rabbit Polyclonal antibody conjugated to HRP for the detection of Human TFPI2.

|                               |                                                                         |
|-------------------------------|-------------------------------------------------------------------------|
| <b>Target:</b>                | Tissue Factor Pathway Inhibitor 2 (TFPI2)                               |
| <b>Clonality:</b>             | Polyclonal                                                              |
| <b>Reactivity:</b>            | Human                                                                   |
| <b>Tested Applications:</b>   | ELISA                                                                   |
| <b>Host:</b>                  | Rabbit                                                                  |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.  |
| <b>Conjugation:</b>           | HRP                                                                     |
| <b>Immunogen:</b>             | Recombinant Human Tissue factor pathway inhibitor 2 protein (23-235 AA) |
| <b>Isotype:</b>               | IgG                                                                     |
| <b>Form:</b>                  | Liquid                                                                  |
