

# Zinc Finger CCCH Domain-Containing Protein 14 (ZC3H14) Antibody (HRP)

Catalogue No.: abx346599

Zinc Finger CCCH Domain-Containing Protein 14 (ZC3H14) Antibody (HRP) is a Rabbit Polyclonal antibody conjugated to HRP for the detection of Human ZC3H14.

|                               |                                                                                      |
|-------------------------------|--------------------------------------------------------------------------------------|
| <b>Target:</b>                | Zinc Finger CCCH Domain-Containing Protein 14 (ZC3H14)                               |
| <b>Clonality:</b>             | Polyclonal                                                                           |
| <b>Reactivity:</b>            | Human                                                                                |
| <b>Tested Applications:</b>   | ELISA                                                                                |
| <b>Host:</b>                  | Rabbit                                                                               |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.               |
| <b>Conjugation:</b>           | HRP                                                                                  |
| <b>Immunogen:</b>             | Recombinant Human Zinc finger CCCH domain-containing protein 14 protein (176-306 AA) |
| <b>Isotype:</b>               | IgG                                                                                  |
| <b>Form:</b>                  | Liquid                                                                               |
| <b>Purity:</b>                | > 95%                                                                                |
| <b>Purification:</b>          | Purified by Protein G chromatography.                                                |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                       |
| <b>UniProt Primary AC:</b>    | Q6PJT7 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                          |
| <b>Gene Symbol:</b>           | ZC3H14                                                                               |
| <b>KEGG:</b>                  | hsa:79882                                                                            |
| <b>Buffer:</b>                | 0.01 M PBS, pH 7.4, 0.03% Proclin-300 and 50% glycerol.                              |
