

## DnaJ homolog subfamily C member 10 (DNAJC10) Antibody (Biotin)

Catalogue No.: abx340718

DnaJ homolog subfamily C member 10 (DNAJC10) Antibody (Biotin) is a Rabbit Polyclonal antibody conjugated to Biotin for the detection of Human DNAJC10.

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | DnaJ homolog subfamily C member 10 (DNAJC10)                                                                                               |
| <b>Clonality:</b>             | Polyclonal                                                                                                                                 |
| <b>Reactivity:</b>            | Human                                                                                                                                      |
| <b>Tested Applications:</b>   | ELISA                                                                                                                                      |
| <b>Host:</b>                  | Rabbit                                                                                                                                     |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                                                                     |
| <b>Conjugation:</b>           | Biotin                                                                                                                                     |
| <b>Immunogen:</b>             | Recombinant Human DnaJ homolog subfamily C member 10 protein (521-793 AA)                                                                  |
| <b>Isotype:</b>               | IgG                                                                                                                                        |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Purified by antigen affinity chromatography.                                                                                               |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
