

## **CAP-Gly domain-containing linker protein 2 (CLIP2) Antibody (Biotin)**

Catalogue No.: abx348990

CAP-Gly domain-containing linker protein 2 (CLIP2) Antibody (Biotin) is a Rabbit Polyclonal antibody conjugated to Biotin for the detection of Human CLIP2.

|                               |                                                                                   |
|-------------------------------|-----------------------------------------------------------------------------------|
| <b>Target:</b>                | CAP-Gly domain-containing linker protein 2 (CLIP2)                                |
| <b>Clonality:</b>             | Polyclonal                                                                        |
| <b>Reactivity:</b>            | Human                                                                             |
| <b>Tested Applications:</b>   | ELISA                                                                             |
| <b>Host:</b>                  | Rabbit                                                                            |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.            |
| <b>Conjugation:</b>           | Biotin                                                                            |
| <b>Immunogen:</b>             | Recombinant Human CAP-Gly domain-containing linker protein 2 protein (101-217 AA) |
| <b>Isotype:</b>               | IgG                                                                               |
| <b>Form:</b>                  | Liquid                                                                            |
| <b>Purity:</b>                | > 95%                                                                             |
| <b>Purification:</b>          | Purified by Protein G chromatography.                                             |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                    |
