

## Protein Bicaudal C Homolog 1 (BICC1) Antibody

Catalogue No.: abx349046

Protein Bicaudal C Homolog 1 (BICC1) Antibody is a Rabbit Polyclonal antibody for the detection of Human BICC1.

|                               |                                                                        |
|-------------------------------|------------------------------------------------------------------------|
| <b>Target:</b>                | Protein Bicaudal C Homolog 1 (BICC1)                                   |
| <b>Research Area:</b>         | Signal Transduction                                                    |
| <b>Clonality:</b>             | Polyclonal                                                             |
| <b>Reactivity:</b>            | Human                                                                  |
| <b>Tested Applications:</b>   | ELISA, IHC, IF/ICC                                                     |
| <b>Host:</b>                  | Rabbit                                                                 |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                           |
| <b>Immunogen:</b>             | Recombinant Human Protein bicaudal C homolog 1 protein (682-849 AA)    |
| <b>Isotype:</b>               | IgG                                                                    |
| <b>Form:</b>                  | Liquid                                                                 |
| <b>Purity:</b>                | > 95%                                                                  |
| <b>Purification:</b>          | Purified by Protein G chromatography.                                  |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.         |
| <b>UniProt Primary AC:</b>    | Q9H694 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )            |
| <b>Gene Symbol:</b>           | BICC1                                                                  |
| <b>KEGG:</b>                  | hsa:80114                                                              |
| <b>Buffer:</b>                | 0.01 M PBS, pH 7.4, 0.03% Proclin-300 and 50% glycerol.                |
