

## Nuclear pore complex protein NUP62 (NUP62) Antibody

Catalogue No.: abx349839

Nuclear pore complex protein NUP62 (NUP62) Antibody is a Rabbit Polyclonal antibody for the detection of Arabidopsis thaliana NUP62.

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Nuclear pore complex protein NUP62 (NUP62)                                                                                                 |
| <b>Clonality:</b>             | Polyclonal                                                                                                                                 |
| <b>Reactivity:</b>            | Plant                                                                                                                                      |
| <b>Tested Applications:</b>   | ELISA                                                                                                                                      |
| <b>Host:</b>                  | Rabbit                                                                                                                                     |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                                                                     |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Immunogen:</b>             | Synthetic Peptide (710-720 AA)                                                                                                             |
| <b>Isotype:</b>               | IgG                                                                                                                                        |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                                                       |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>UniProt Primary AC:</b>    | Q8L7F7 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                                |
| <b>Buffer:</b>                | 0.01 M PBS, pH 7.4, 0.03% Proclin-300 and 50% glycerol.                                                                                    |
