

## Interleukin-23 subunit alpha (IL23A) Antibody

Catalogue No.: abx402174

Interleukin-23 subunit alpha (IL23A) Antibody is a Recombinant Rabbit Monoclonal antibody for the detection of Human IL23A.

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Interleukin-23 subunit alpha (IL23A)                                                                                                       |
| <b>Clonality:</b>             | Monoclonal                                                                                                                                 |
| <b>Reactivity:</b>            | Human                                                                                                                                      |
| <b>Expression:</b>            | Recombinant                                                                                                                                |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                                                                  |
| <b>Host:</b>                  | Rabbit                                                                                                                                     |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/5000. Optimal dilutions/concentrations should be determined by the end user.                                                 |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Immunogen:</b>             | A synthesized peptide derived from human IL23                                                                                              |
| <b>Isotype:</b>               | IgG                                                                                                                                        |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                                                       |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>UniProt Primary AC:</b>    | Q9NPF7 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                                |
| <b>String:</b>                | <a href="#">9606.ENSP00000228534</a>                                                                                                       |
| <b>Buffer:</b>                | PBS, pH 7.4, 150 mM NaCl, 0.02% sodium azide and 50% glycerol.                                                                             |
| <b>Note:</b>                  | THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION. |
